ABOUT US

Founded in 2010, SororiTea Sisters has become a wealth of knowledge for tea enthusiasts everywhere. With over 5,000 posts and still going strong, SororiTea Sisters provides a unique meeting place for tea drinkers and tea companies to meet through each review that is posted.

We are currently a group of 15 passionate women who not only have a passion for tea, but for writing as well. Each of our Sisters bring their own unique style and voice to every review published.

REVIEWS & REVIEW POLICY

Every day up to 4 reviews are posted on SororiTea Sisters along with our social media channels providing a vast array of information for tea enthusiasts to seek out.

Our reviews are completed with the utmost honesty and respect. We are dedicated to providing our readers with the latest and greatest your company has to offer.

The SororiTea Sisters currently review any and all tea and tea related products. Because we want as many of our Sisters to review your product(s) as possible, reviews can take up to a month before they are published due to shipping times. We also prefer to give our Sisters time to properly review the tea. If you are in need of a quicker turnaround time, please let us know so we can accommodate the request.
